This is Dmitri. He has a very important job; to turn everyone in the world into members of the KISS Army!

He has a magical swordfish to help him with this glorious task

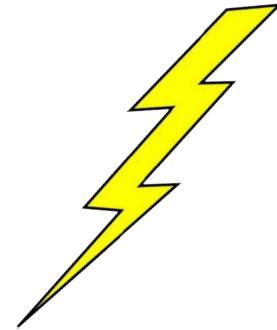

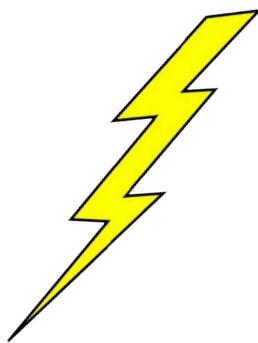

He had received a tip that the whole Siekman Clan would be together for a family reunion and he thought that would make for a great day of work. So he left early on Wednesday morning and headed up to St. Cloud, MN

Dmitri decided to start with the kids.

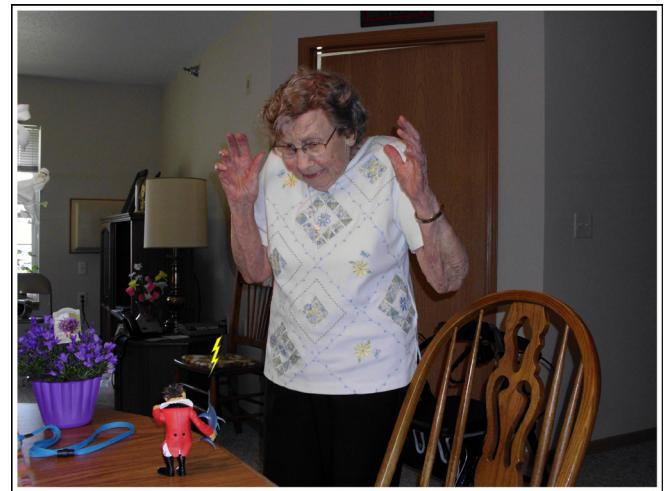

They were a little scared at first....

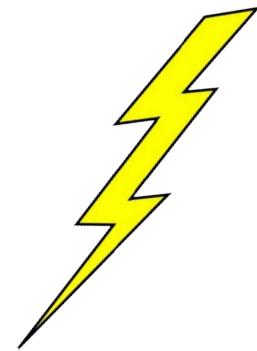

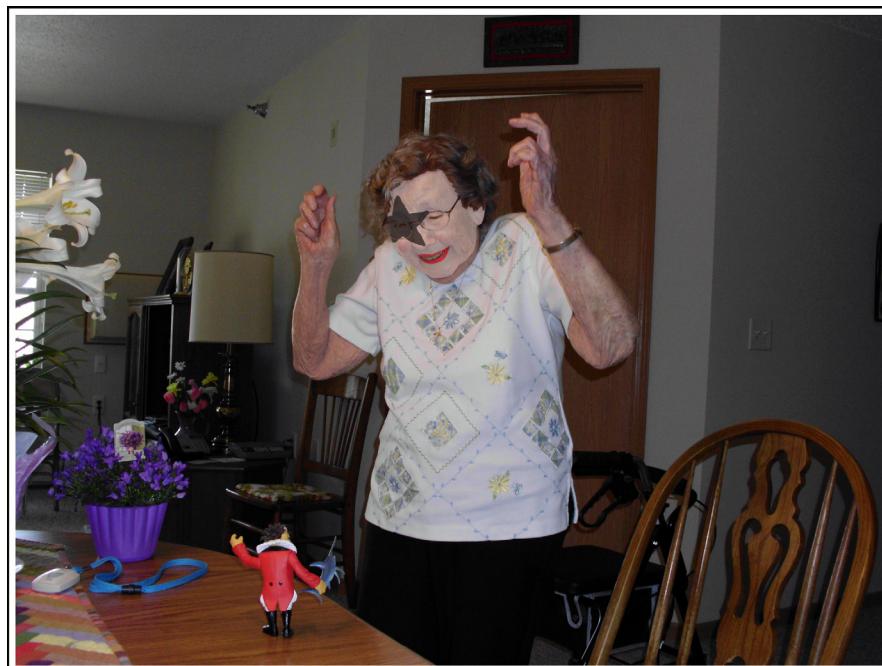

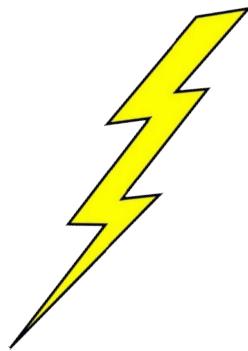

But they quickly realized how awesome it is to be in the KISS Army!

Dmitri was ready to find his next victim.

He quickly found grandma. She didn't even know who KISS was...

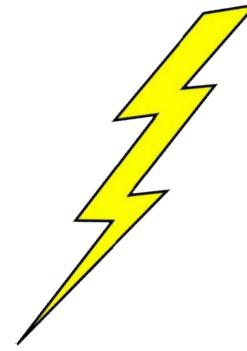

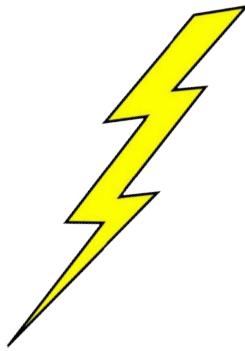

Now she's the president of their fan club!

It was getting close to the end of the day, but
Dmitri wanted to get one more person.

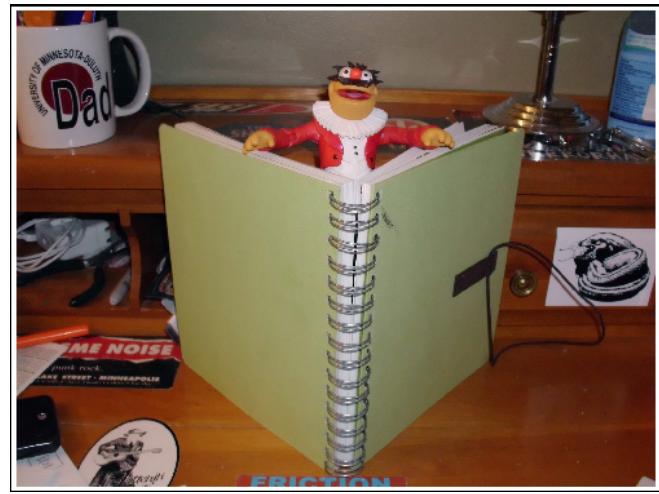

Russ tried to escape in his red Chevrolet, but
he wasn't quicky enough.

Now he's ready to trade that red chevy in for a KISS-mobile!

Dmitri headed home after a long day of work,
but he didn't feel satisfied.

He tried to cheer himself up by looking at his
photo album of celebrity transformations.
